Manufacturers & Exporters Of Quality Surgical, Dental & Beauty Care Instruments

INTRODUCTION

We present this CATALOGUE with a hope that it would be an excellent guide to all over promoters and Surgical professionals the world over.

We endeavor to present in this CATALOGUE a modern range of instruments to the trade and medical professionals in order to achieve the highest result.

We are the located in the center of the city which is known the world over for this profession having at our disposal expert crafted whose skilled technique and traditional approach towards modern surgery makes all the possibilities to acclaim us quality instruments producers.

We are grateful for the loyal support given to us by our promoters who have been selling our Stainless Steel Surgical Instruments in their market with pride and honor.

We pledge to serve more in the years ahead to our quality minded promoters with much more higher standard and correct design of the instruments.

We also welcome our enquiries for the instruments not listed in This CATALOGUE both in Surgical instruments.

It is our earnest desire to maintain our present price but due to the present universal economic condition which are beyond our control, all prices are subjected to change without any notice.

“TC” NEEDLE HOLDERS

COARSE

For powerful needle holder patterns and wire twisters

Maximum holding capabilities for heavy needles or wire

STANDARD

Used for example Mayo-Hegar, Mathieu Needle Holders

For needle 3-0 and larger

FINE

For delicate needle holders such as Crile Wood and Debakey

For needle and sutures between 4-0 and 6-0

MICRO

For micro needle holder such as Castroviejo, Microvascular and Mini-Ryder

For delicate needle and sutures between 7-0 and 10-0

RIB SPREADERS

Advantages:

- System affording quick and problem free exchange of blades
- All exchangeable blades with instant locking plug-in system
- Vast range of fix and adapting exchangeable blades
- Different types of exchangeable blades can be fixed to either side
- Smooth surfaces, Sutures stay free
- Easy cleaning
